

Soybean Plant Model Instructor Guide

The Soybean Plant Model stands over four feet tall and is used to teach about the different stages of growth of a soybean plant. This replica includes the roots of the plant as well as the stalk, leaves, buds, and stages of pod growth.

Product includes:

- Soybean Plant Model on base
- Full-color details
- 1-year warranty
- Online access to curriculum, student activities and presentation slides

NEED MORE HELP?

Part identification:

1. Base: root system with realistic nodules included
2. Branches: lifelike leaves to form a trifoliate
3. Leaves: varying sizes with three leaves on each node
4. Flower buds: on the top of the plant, showing the early growth and start of new soybean pods
5. Soybeans: three different colors to show different growth stages
 - a. Green: early growth
 - b. Yellow: growth right before maturity
 - c. Brown: mature and ready to harvest
