

# Butcher Pork Cut Models

## Quick Start Guide

The lifelike Butcher Pork Cut Models are separated into quartered sections. The shoulder, loin, belly/side, and leg primals feature 13 magnetic models depicting the most popular cuts of pork. The models and included curriculum cover how to identify various cuts as well as how to prep and cook them.

|                 |                                                                                     |                               |
|-----------------|-------------------------------------------------------------------------------------|-------------------------------|
| MODEL COLOR KEY |    | Tan: Fat                      |
|                 |    | Pink: Bone                    |
|                 |   | Dark Red: Muscle              |
|                 |  | Dark Tan: Skin                |
|                 |  | Yellow: Interspinous Ligament |
|                 |  | Brown: Hooves                 |
