

# Veterinary Medical Terminology

## Directions:

1. Print cards double sided and cut vocabulary cards
2. Choose an activity method for learning vocabulary words

### Class method

- Read the vocabulary word aloud and ask for volunteers to provide the definition  
or
- Read the definition aloud and ask for volunteers to provide the vocabulary word

### Small group method

1. Divide the class into small groups
2. Give each group a set of the cards
3. Have one person pick a card and read it aloud to the group
4. The first person in the group to get it right gets a point and is the next person to read a card

### Concentration method

1. Pair the students up
2. Give each pair a set of cards
3. Lay the vocabulary cards on a table with the definition side down
4. Each player takes a turn reading a word and saying the definition
5. If the definition is correct, the player picks up the card and keeps it as a point
6. If the definition is incorrect, the next player takes a turn
7. Continue until all cards are drawn
