A note from our President and CEO

Thank you for doing what you do to prepare today’s students for successful futures and for considering our products and programs to help you make a positive impact. We’re here to help you engage your students and help them develop skills that will be valuable in college, career and life.

We aim to be a reliable resource for you. Use this catalog and www.realityworks.com to find information about our programs and products, funding options, program support, industry news and more.

-Timm Boettcher, President & CEO

A little about us

Our flagship product, RealCare Baby®, was “born” over 20 years ago under the name Baby Think It Over®. Its mission was to better address teen pregnancy prevention, parenting skills, child abuse and neglect through realistic educational experiences.

Today, the RealCare Baby® infant simulator is in nearly 17,000 schools and organizations and over 90 countries worldwide. Realityworks has evolved to become an employee-owned company making worldwide impacts with its innovative learning tools and resources for skills training in a variety of Career & Technical Education pathways, including Family & Consumer Sciences, Health Education, Health Occupations and more.

We strive to unite powerful curriculum and hands-on learning aids to help educators create active learning opportunities for their students. As a company, we strive not only for profitability and growth, but to be a corporate model for social betterment.

“[The Babies] are a wonderful way to teach them the value of human life. They become more empathetic in their dealings with small children after taking this course.”

Marsha Chizek, FACS Teacher

RealCare Baby® Program

The RealCare Baby Program (formerly Baby Think It Over®) uses simulators and curriculum to help users understand the physical, emotional and social effects of caring for an infant 24 hours a day. RealCare Baby® 3 is the only infant simulator that uses wireless programming and reporting.

During a simulation experience, users:
- Determine whether Baby needs feeding, burping, rocking or changing
- Dress Baby appropriately
- Handle Baby correctly
- Respond to Baby’s cries for care

Baby’s software can:
- Track care events, abuse, surrounding temperatures, time in a car seat and clothing changes
- Customize simulations using schedules based on real infants
- Program up to 100 Babies, up to 7 days in advance
- Receive and print detailed assessment reports
- Check Baby’s battery status

Each Baby includes:*  
- 2-piece outfit
- Sleeper
- Infant bodysuit
- 2 color-coded diapers

*Consumable replacement item

“The students really like it. When I walk around my classroom and monitor what kids are doing, I actually hear them talking about what’s on the pages and what was discussed in class, things that might happen at work, etc. It’s interesting to them and applicable to the real-world.”

- Jeri Lynn Benell, Agriculture Instructor/FFA Advisor
RealCare Baby® Training

A variety of professional development opportunities are offered from certified Realityworks trainers to ensure customers understand the fundamentals of Baby and can successfully utilize this powerful simulator.

Training topics include:
- Operating Control Center Software and programming simulations
- Identifying program parts and pieces
- Customizing grading rubrics and interpreting assessment results
- Best practices used by experienced educators

Training options:

1) On-Site Product Training

A full day of professional development training customizable to meet your organization’s needs.

$3,459 1-Day On-Site Training – 10180100

2) Individual Webinar Training

A 2-hour online training session bringing individual Baby users from across the country together on one call. Pre-scheduled dates and times available for selection.

$149 2-Hour Individual Registration – 10282441

3) Group Webinar Training

A customized online training opportunity tailored to your organization’s needs.

$499 2-Hour Group Registration – 10282443

RealCare Baby® Tips & Tricks

FREE RealCare Baby Guide App (for students)

Download the free student app (Android or iOS) for participants to use while they are caring for Baby. Learn more here: www.realityworks.com/support/participant-app

Keeping RealCare Baby Clean

Try any of the following cleaners to remove dirt stains from Baby’s vinyl:
- Goop® hand cleaner with pumice
- Gojo® orange pumice hand cleaner
- Mr. Clean® Magic Eraser
- Acne cream
- Baking soda
- Soft Scrub® cleanser without bleach
- Oxi Clean®
- Dish soap
- All-purpose cleaner
- Rubbing alcohol

Note: We have found NO effective product to remove ink stains from Baby’s vinyl.

Visit www.realityworks.com/support/realcare-baby/ for additional tips
20-Baby Storage/Charging Cart
Portable cart for storing, transporting and charging up to 20 RealCare Baby® simulators.

Cart features:
- Lockable wheels
- Steering handles
- Lock-and-key storage
- Charging ports inside
- Retractable cord for plugging into a wall outlet
