

FAST-fluid™ Management Systems

Sole Source Statement

This is to certify that Realityworks, Inc. is the sole source of the FAST-fluid Management Systems possessing the following characteristics and features:

FAST-fluid Tall Management System

- Use with Realityworks Catheterization Simulators
- Makes for quick and easy procedure prep while maintaining a bladder reservoir for continuous use
- Manages the fluid for urinary catheterization and quickly primes the tubing with little or no fluid leakage
- Gravity flow and large collection bottle ensure multiple students can practice without the need to stop and refill

FAST-fluid Short Management System

- Use with Realityworks Training Arms
- Makes pressurizing arms as well as procedure prep quick and easy
- Saves time by:
 - Quickly pressurizing veins and artery systems
 - Eliminating air bubbles
 - Flushing veins and arteries after use

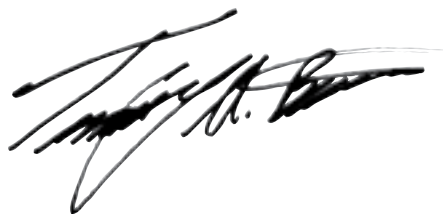

Both systems come with a limited 1-year warranty.

Realityworks is the originator of the FAST-fluid Management Systems and holds all copyrights and patents to them.
