

Fetal Development Kit Sole Source Statement

This is to certify that Realityworks, Inc. is the sole source of the Fetal Development Kit possessing the following characteristics and features:

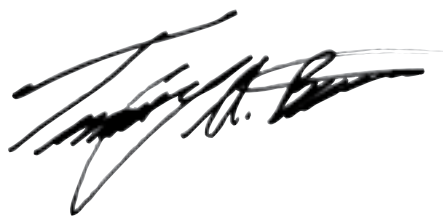

- Detailed, life-size fetal development models for each month of pregnancy
- Removable fetus models
- Normal uterus model
- English language curriculum, Understanding Fetal Development, incorporating 3 lessons with a variety of activities that teach students about monthly fetal development
- 14-slide PowerPoint presentation that includes fetal development stages and developmental milestones, healthy eating during pregnancy, genetic diseases, pregnancy symptoms and discomforts
- 90-day limited warranty
- Models are mounted on a set of 8 different bases, which include labels that identify the developmental stage of each model

Realityworks is the originator of the Fetal Development Kit and holds all copyrights and patents to it.
