

Geriatric Sensory Impairment Kit Sole Source Statement

This is to certify that Realityworks, Inc. is the sole source of the Geriatric Sensory Impairment Kit possessing the following characteristics and features:

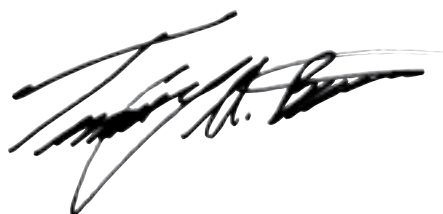

- Set of 3 wearable simulation experiences to teach elder care and geriatric sensitivity: hearing impairment simulator, arthritis simulator, and tremor simulator
- Headphones enable users to experience tinnitus, high-frequency hearing loss, general hearing loss, and dementia-related confusion
- Wearable for each hand that simulates moderate to severe arthritis
- Portable device that uses EMS technology to induce hand tremors
- Curriculum
- Quick Start Guide for each simulator
- Limited 1-year warranty
- Storage case for each simulator

Realityworks is the originator of the Geriatric Sensory Impairment Kit and holds all copyrights and patents to it.
