

Teamwork

Team Survival Scenario

Read through the following scenario:

Your work team earned a trip as a reward for exceeding your sales goals last year. You all boarded the S.S. Super Clipper for a relaxing luxury week-long cruise in the Pacific Ocean. You encountered a bad storm and the clipper ship limped to shore and partially sank. Only the top of the ship is still visible off the north tip of the island. You are all now stranded on an uninhabited island in the middle of the Pacific Ocean. The storm basically ruined most things on board, leaving very few useful items.

Your task is to choose the 12 most useful items to help you survive on this deserted island. First, write a list of 12 items on the back of this sheet of paper that you would individually like to have on hand to survive on the island.

Next, work with your team to create a master list of items to choose from. Your next task is to work together with your team to come up with a list of the 12 most important items you feel would help the group survive on this island for the next 6-12 months. Rate the final list of 12, with 1 being the most important item through 12 being the least important item on your list.

For example, one item you may wish to have on hand is a box of matches or a lighter.
